

# ROOMS 2019

## CALL FOR PRESENTATION ABSTRACTS

The **Federal Office for Radiation Protection** welcomes the participation of national and international members of the scientific community, radon testers, diagnosticians, mitigators, educators, public stakeholders and business people to the annual **ROOMS** conference, dedicated to radon preventive measures and mitigation in new and existing buildings.

### Presentations:

- Should concentrate on mitigation solutions. Participants are encouraged to present case studies of single buildings.
- Maximum duration 20 minutes (including 5 minutes discussion).

### Abstracts

- Please send **this** compiled form to [radon@bfs.de](mailto:radon@bfs.de). The text should not exceed **150 words**.
- Submission deadline is **August 31<sup>th</sup>**.
- Acceptance of abstracts is subordinated to registration.
