

INVITATION

ROOMS

RADON OUTCOMES ON MITIGATION SOLUTIONS

2022

27–28 September, Bergen, Norway

In addition there will be an opportunity to participate in an excursion to Kinsarvik, a particularly high-level radon area 28–29 September. Please see separate information about this trip.

<p>Who?</p>	<p>The European Radon Association (ERA) and The Norwegian Radiation and Nuclear Safety Authority (DSA) welcome national and international members of the scientific community, radon testers, diagnosticians, mitigators, educators, public stakeholders, business people and authorities to participate in the annual ROOMS Conference in Norway. This conference is dedicated to radon preventive measures and mitigation in new and existing buildings.</p>
<p>Where?</p>	<p>Thon Hotel Rosenkrantz Bergen, Norway. There is also an opportunity to sign up for an excursion to Kinsarvik.</p>
<p>Important dates</p>	<p>Abstracts: 31 July. See separate information for call for abstracts Registration: 31 July Preliminary reserved hotel rooms: 27 August</p>
<p>How to get there?</p>	<p>Book your accommodation and transport yourself and in advance. The meeting is located in the center of Bergen and is therefore surrounded by hotels. It is also well connected to public transport.</p> <p>Getting to Bergen:</p> <ul style="list-style-type: none"> → Get travel information at Bergen's official website. → Plan your trip to Bergen with Entur. → Visit Norway Official travel guide to Norway
